Hi Laurie,

Thank you for the lists. I went through the TSD list quickly and confirmed information in RCRAInfo. Here are three changes:

Nokia (Alcatel Lucent) – CEI 9/5/18

Durable Woods – CEI 8/28/18

Lenoir Mirror – CEI 8/22/18

Others:

GlaxoSmithKline North is closed and no longer on the list. The 2/22/17 inspection was for closure.

Chemours you know all about.

Old Asheville Dyeing and Finishing is currently under injunctive order and litigation.

Hi Brent,

Here are the attached tables for our call next week. On one table, I included the facilities in RCRAInfo with outstanding violations. On the other, I'm tracking FY2019 TSD inspections for the grant workplan. Alan suggested that state coordinators begin including a discussion of inspection numbers in order to support meeting the workplan inspection commitments.

Please let me know if you have any questions.
Thank you,
Laurie

Hi Laurie,

Looking at calendars, the morning of the 16th looks to be the best option. Maybe around 10:00?

I will be in Raleigh this week for the meeting. Are you coming?

Hi Brent,

I'm way overdue for scheduling the ERP Conference call, and wanted to see if any days between April 10 and 17 would be available to schedule the call?

Will you be at the State Directors' Meeting next week?

Thank you,
Laurie
